Hello All You Wonderful People,

Wow!! I had a great time this past month. My oldest daughter, Dana set up a charter fishing trip for the 'girls'. My middle daughter, Tammy wasn't able to go, but the rest of us – oldest daughter, Dana – youngest daughter, Mysti – granddaughter, Ember, were all on the boat on Lake Erie.

Ember caught the first & biggest Walleye

Mom, Mysti, helped hold the pole.

Everyone caught fish, even Captain Jim and First Mate Johnny. We were fishing for Walleye and Perch, and we caught those and Sheepshead (big) (threw back) and other little ones. Ember caught the biggest and smallest fish of the day. We came home with 17 fish – all filleted and ready to grill. Ember wants to do it again for her birthday.

Okay, enough about that – on to Cameo things.

I want to talk about the IK (Instructor Kit). This is a kit that has one of each of the paints that are in the Line (except #200). Right now this kit costs \$263.72. The price is adjusted every time that I add paints to the Line. This means that you can have a stock of paints on your shelf or in your drawer to sell when one of your customers needs paint. You can order this any time and as often as you want. As you get your paints built up you will find that you have more of some paints than others. At this point you can run a one-time special on just those paints or teach a class that includes those paints. For those of you that have your tax license in to me, you get your instructor/dealer discount off of this discounted cost. It's a good deal for you and your customers.

I'm putting the registration form for the October Seminar in this newsletter. The sooner you get it in – the better I am able to plan. If you get your paid registration in before October 1<sup>st</sup>, you get a \$5.00 discount – so it will only cost you \$30.00. If you register on line – you will get a \$5.00 credit at the meeting to use for all the things that you are going to want to buy.

All the new things coming out for the October Seminar will be in the November/December newsletter. Those of you who attend the Seminar will be the first to see and get the new things.

I have one of the new things in House already. Another new thing is on order and should be here within the next couple of weeks.

I will try to get the November/December newsletter out the week following the Seminar so the rest of you will not be far behind in getting a chance to order the new items. And, of course, the rest of the monthly quilt blocks will be in that newsletter in case some of you are working on them as a holiday gift. That way you have a chance to get them painted and quilted.

I want to remind you that the Company closes down for a week so we can go to a family reunion on Labor Day weekend. We take that time to go visiting and just generally get away. I'll give you dates later, as soon as we have our visitation schedule figured out. As of right now it looks like we will close on Friday, August 31<sup>st</sup> and open back up on September 3<sup>rd</sup>. I know that's an extra day, but we have a lot of visiting to do.

I will start packing and sending orders as soon as we get back (which will probably be Saturday or Sunday) and get everything caught up within 48 hours of opening up on Monday the 3<sup>rd</sup>.

Have you wanted a patriotic table cloth for all the patriotic holidays? Well, here is Lori's tablecloth. She used four (4) different main transfers and then pulled the whole thing together with the stars that Halleen taught. Lori says she can use it pretty much all summer.

## Monthly Special

I think that we will use the T4350 transfer on a Mini Flag. This will be a nice gift or item for your craft shows. You can change the colors on different Mini Flags so they look good hanging up for sale, or in the favorite colors of the person you are going to give it to.

This set would retail for \$6.60.  
The monthly special for July 2007 will sell for \$5.50.  
You will get (1) T4350 and (1) P322-Mini Flag.

The chart has changed a little on this design.

The transfers coming out this month will be a combination of old and new.

T4350 – Birdhouse is back in the Line and changed just a little.

T4441 – Dalmatians are those cute little pups that everyone loves.

T4465 – Ballerina Bear for all you teddy bear and dance folks. Great gift design.

T4513 – Spring/Summer is great on a shirt. Do it front and back or both on one side.

T4741 – Seascape has been in before. Everyone seems to want more lighthouses.

T4743 – Poinsettia Center is designed to be the center of a poinsettia tablecloth or it will look great on a dresser scarf (P326 & P327). Of course, all of our transfers look good on t-shirts and sweatshirts. This one is for you crafters that are getting things ready for the holiday craft shows.

T4744 – Gifted Snowman is another early holiday design. It's great for a Mini Flag, snowman tablecloth or shirt. Kids will love wearing it.

## July Workshops

July 14<sup>th</sup> – 2 PM - Brooklyn – at Sharon's

July 19<sup>th</sup> – There will be some changes just for this month. Because of the Manchester Chicken Broil we will be **starting at 12 Noon**. At 4PM I will go pick up the chicken dinners for those of you that want to have them. If you call me ahead of time the tickets are \$7.00. After we eat, everyone can finish their paintings or take their dinners and go home. The dinners are huge, they include: half a char-broiled chicken, Homemade Cole Slaw, Radishes, Chips, Roll & Butter and a drink. This is the 54<sup>th</sup> year of the Manchester Chicken Broil and people come from all over to eat.

For those of you who can't come during the day – you can order the dinner and I will pick it up and have it waiting for you when you get here. Or, you can just **come at 7 PM for the regular class time.**

This will be different only for this month. If it goes well – and those that come want to do it again next July – we will.

Now for what we will be doing at the class – we will be doing a special picture to practice your feather-stroking on animal fur. I think every one will like the class and the only way to get better at feather stroking is to practice and that is what we will be doing at the class. It will be a fairly long class, but not hard. Bring your paints and your cheery selves to have a good time and to learn.

The **class price is \$10.00**, plus, of course, the \$7.00 for your dinner.

Last month I made an error on transfer prices – they are \$1.65. Please correct.

# October Seminar 2007

**October 13, 2007**

Where: At the Ginger's Cameo facility in Manchester, MI

Time: Classes start at 9:00 AM (Continental Breakfast – 8:00 AM)  
Door prize drawings on the hour

Registration: \$35.00 (includes a lot of supplies)

Bring: A dish to pass  
Ideas and painted items to share.  
A complete set of paints – Fiber Blenders – Scissors

Classes: We will be working on Halloween, Thanksgiving and Christmas items.

We will be working on new linens, with new transfers to fit.  
We will be working with a new accessory with new paints.  
I'm not sure what else we will be working on – but it will be a **full** day. I will put out a schedule closer to the workshop.  
Come see and get the new things first and enjoy.
